Uneeda Jinjer Wayfer

Its delicious flavor is a revelation in dainty eating. Enough ginger to make it piquant. Enough sweetness to make it toothsome. It is the sweet sister of **Uneeda Biscuit**—the biscuit that started the whole country crackcravards because of its concentrated goodness. To-day is the day to know **Uneeda Jinjer Wayfer**.

The word **Uneeda** is a trade name, registered and owned by National Biscuit Company.

have been arrested by a deputy U. S. Marshall on warrants charging intimidation of colored voters on Tuesday. This makes a total of nine warrants of this kind issued by the Federal Court, and it is understood that probably a hundred more will be issued.

WESTERN UNION'S BULLETIN. Cincinnati, November 10.—The Western Union Telegraph Company to-day issued its last bulletin on the Kentucky election, saying that with complete returns from 95 counties and nearly complete from 23 others, Taylor's plurality is 1,382. The two counties not reported, Leslie and Martin, gave in 1897 a Republican plurality of 1,135.

TABULATING THE RETURNS. Frankfort, Ky., Nov. 10.—The Democratic State Campaign Committee, with a score of clerks, is busy to-night tabulating returns as telegraphed from the various county canvassing boards. Several counties are still out, and in a number of those heard from to-day the county boards will meet again to-morrow to pass on contested ballots, which may materially affect the result.

The members of the committee claim

that Goebel's vote was slightly increased by the official count to-day, and still claim his election by at least 4,000. The committee declines to give the vote by counties as received by it, and on which the claim of Goebel's election is based. It is conceded on all hands here that the result will not be definitely ascertained for at least two days.

OFFICIAL COUNT BEGUN. Louisville, Ky., Nov. 10.—The official count of the ballots cast on Tuesday was begun to-day throughout the State. In this city a large crowd gathered at the court-house. Representatives of all the parties were admitted by the commissioners, and the examination of the ballots proceeded in an orderly manner. Judging from the progress already made the official count will show no great variation from the unofficial figures, which give Louisville and Jeff county to the Republicans by a plurality of about 3,000.

There was no change to-day in the claims of the party managers. The Democrats are sure that Goebel will have a plurality of 5,000, while the nominee himself places it at 7,000. The Republicans claim Taylor is elected by a plurality of 4,000.

The Times (Goebel Democrat) has the following special from London, Ky.:

FRAUD IN KNOX. "State Chairman A. W. Young, of the Democratic Campaign Committee, is at Barbourville, seeking to have the entire vote of Knox county thrown out. Numbers of affidavits alleging fraud and irregularities are being filed with the county board. It is believed Taylor's majority will be considerably reduced, if the county is not thrown out entirely."

"Official returns from Clay reduces Taylor's majority to 907. No changes have been made by the canvassing board of Laurel county so far. Taylor's majority will remain 931, though the Democrats will file affidavits with the State Election Board at Frankfort next Tuesday asking that three precincts be thrown out, which will reduce it."

SERIOUS TECHNICAL ERROR. The Times also has the following from Bardonia, Ky., concerning the count in progress there:

"A serious technical error in the vote may increase Goebel's Nelson county plurality to 1,886. In the official count it was discovered that in every precinct except one W. P. instead of W. S. Taylor was voted for, and the one precinct, New Hope, gives W. S. Taylor, the Republican candidate only 78, leaving the official vote as certified by the two Democratic commissioners as follows: Goebel, 1,959; W. S. Taylor, 73; William P. Taylor, 1,198. The Republican commissioners refused to certify to these figures."

Sequel Romeyn Court-martial. (By Telegraph to Virginian-Pilot.)

Atlanta, Ga., Nov. 10.—Word was received in Atlanta to-night of the marriage in Washington on Saturday last of Lieutenant F. E. Bamford, Fifth Infantry, U. S. A., and Mrs. Mae Kendall O'Brien. This is a highly interesting sequel to the Romeyn court-martial at Fort McPherson in 1897. Lieutenant Bamford, at that time, was engaged to marry Captain Romeyn's daughter, at the same time paying marked attention to Mrs. O'Brien. Captain Romeyn expressed himself freely in the matter, and Lieutenant O'Brien hearing of it accosted the Captain on the parade. His superior responded by knocking him down, the court-martial being held soon after. Lieutenant O'Brien died some time ago at Dry Tortugas.

Lieutenant Bamford is at present stationed in Omaha.

NOT PURSUIT OF FILIPINOS

(Continued From First Page.)

parties. They killed eight men, brought in 20 prisoners and had five men wounded.

The Santo Tomas road seems to be the only possible means of retreat for a large body north from Tarlac, and General Wheaton commands it. The insurgents of this section are going to reinforce Tarlac. The battleship Oregon has arrived here from Hong Kong. Captain Chenoweth and Lieutenants Davis, Van Horne and Bradford, with two companies of the Seventeenth regiment, reconnoitering northeast of Malabacat, attacked and routed a battalion of insurgents, killing 29 of them. Three Americans were wounded.

SPANISH PRISONERS RESCUED. General Wheaton reports, by the Benigno, that when the landing was made at San Fabian the insurgents encountered were 300 recruits, who were on their way to Dagupan, where they expected the expedition to land. They retreated to the mountains. Twenty-eight Spanish prisoners were rescued.

The report of the landing at Lingayan was brought by the commander of the Manila, who saw the fight. He got the geography mixed.

HANDICAPPED BY RAINS. It has been raining hard throughout the week, handicapping Generals Lawton and MacArthur. The transportation is the chief difficulty. In the advance General Lawton depended on the river to get his supplies. The San Isidro river is fed by mountain streams, and is alternately too shallow for navigation or too swift. Two and three launches were necessary to pull the cargo moving the supplies from San Isidro, and the mule trains moving supplies from San Isidro over the muddy roads made only two or three miles a day. The troops were on short rations most of the time. The only provisions the country yields are rice, a few chickens and buffalo. The officers carry a supply of cash to pay the natives liberally for all they take. The highlands are cool and the health of the troops is good.

AN IMPORTANT CAPTURE. General Young has captured another large share of insurgent ammunition and munitions of war, which they were obliged to leave in their hurried retreat.

General MacArthur is bringing supplies from Angeles by the use of mule and carabao teams. Reconnoissances along the front have discovered the insurgents strongly entrenched before Bamban, with several cannon and a rapid-fire gun, but they are short of ammunition.

A DARING EXPLOIT.

Major Bell has been engaged in another daring exploit. While scouting with five officers and two men of the Thirty-sixth Infantry and Lieut. Hawkins and ten men of the Fourth Cavalry, he crept behind a trench containing a hundred Filipinos, rode them down and killed and wounded 20 men and captured six. He also brought back 20 Mausers.

OTIS' OFFICIAL REPORT. Washington, November 10.—The War Department has received the following:

Manila, November 10.—General Lawton experiences some difficulty on account of continued unprecedented rains in that section of the country, his advance at San Jose yesterday at Carangan to-day; strong force put through on Alago route; Young captured yesterday considerable additional Cuban arsenal property in transit north, among which 144 two-inch guns and boxes one and one-half inch hundredth inch ammunition for Hotchkiss guns, 50 projectiles for five and eight-inch breech loading rifle cannon, two boxes of grenades, considerable other ordnance property, tons casting and arsenal machinery in parts. He is meeting with opposition, but advance not much impeded thereby.

MacArthur reconnoitering north of Malabacat yesterday, Bell to left, Slaven's scouts directed to form, and Smith, Seventeenth Infantry, on Magalang and Concepcion road; Bell, Thirty-sixth, with five of his officers and two privates of his regiment, mounted, one officer and ten men Fourth Cavalry, struck 100 insurgents in mountainous west Malabacat, charged, killing and wounding 19, captured six, and thirty Mauser rifles; railroad from Angeles to Bamban destroyed. MacArthur will have 40,000 rations to front to-day, and will

Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried several prominent physicians and took their treatment faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow worse, the disease spread over my entire body, and from November to March I suffered agony. I tried many patent medicines, but none relieved me. Upon the advice of a friend I decided to try Swift's Specific. I bought a bottle, and after taking it for a few days, I felt so much better that I continued the remedy, and in two months I was cured completely. The cure was permanent, for I have never since had a touch of Rheumatism, though many times exposed to damp and cold weather.

ELIZABETH M. TIFFEL,

Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can not reach your trouble. Don't experiment with doctors—their potash and mercury will add to your disability and completely destroy your digestion.

take up advance to Tarlac to-morrow. Wheaton reports 28 Spanish prisoners secured, 300 insurgent recruits escaped to mountains from enemy during battle San Fabian. These recruits were en route to Dagupan. Wheaton says everything favorable to carrying out instructions, and that co-operation of navy complete.

AGUINALDO'S BASE. Washington, Nov. 10.—Interest is felt in the War Department over Aguinaldo's sudden change of base northward from Tarlac to Bayambang, about 75 miles distant. There are numerous spellings of the latter place, but the form given in the one most generally adhered to on the maps in possession of the War Department. The most interesting feature of the new situation is that Aguinaldo has been forced out of the Tagalo country into a region to the north where Tagalo is not spoken and where the mountains are filled with Negritos and other savage tribes who are hostile to the Tagalos.

To the southwest of Carabello mountain there is a narrow break in the mountain range and within a few miles around the base of Carabello mountain on its northern slope one strikes the headwaters of the great Cagayan river that flows northward 250 miles into the China sea. It is on the headwaters of the Magat that Aguinaldo is now located. The way is open for him down the long stretch of river to Aparri at the mouth of the Cagayan where it flows into the sea. This is one of the wildest but richest valleys in the island. It is believed that the river Cagayan is navigable for our tin-clad gunboats 150 miles from its mouth and for canoes much further. It is expected as soon as Aguinaldo shows any disposition to move down the valley toward the China sea that the warships and gunboats will be sent round the northern end of the island to meet him and shut off his escape.

If it is his intention to escape from Luzon he would naturally seek Aparri or some northern port, but the country around Carabello mountain is such that he could probably stand off the whole American force in a game of hide and seek in the hills for the greater part of the coming season.

Secretary Root feels no concern over the move of Aguinaldo to a new base of operations at Bayambang. The Secretary said to-day that the move was distinctly retrograde. It was in the nature of a retreat after finding that his former base was untenable. Throughout the War Department the view prevails that Aguinaldo's move does not materially change the campaign plans and that these will be pushed with unabated vigor.

GROUNDS OF WISE'S CONTEST.

(Continued from First Page.)

shows 364 votes cast, whereof Young received 16, Wise 142, Holland 197, and rejected 9. Examined 142 voters; 16 Young loses; 158 gain for Wise.

Fourth Ward, second precinct. Examined 113 voters; judge held forty of them; 140 Young loses; 253 gain for Wise.

Fifth Ward, first precinct. Returns show 709 votes cast, whereof Young received 529, Wise 52, Holland 91 and rejected 17. The return is false on its face. It is proved by the registrar that there are 32 names on poll books which are not on the registration books. Young loses 529; Wise loses 52; gain 477 for Wise.

Fifth Ward, second precinct. Returns show 523 votes cast, whereof Young received 407, Wise 22, Holland 69, and rejected 8. The return is false on its face. Registrar (Newstead) proves 26 names on the poll book that are not on the registration book. Young loses 407; Wise loses 22; gain 385 for Wise.

SIXTH WARD. Returns show 318 votes cast, whereof Young received 244, Wise 45, and Holland 21. The return is false on its face. Young loses 244; Wise proves 35; gain 279 for Wise.

Every precinct in Norfolk should be rejected for fraud.

As John S. Wise, counsel for his brother Richard A. Wise, sums it up, the proper vote is:

UNCONTESTED VOTE.

Uncontested vote	Young	Wise
Isle of Wight	2,148	2,697
James City	347	432
Namamoud	25	287
Princess Anne	257	1,171
Southampton	208	427
Surry	236	416
Warwick county	140	419
York county	174	211
Norfolk	32	375
Portsmouth	337	418
Williamsburg	1,189	117

Total 4,756 7,707
Wise's majority, 2,951.

And Wise entitled to his seat by that majority.

A SEVERE ARRAIGNMENT.

The outrageous facts made manifest by the proofs, and virtually uncontested by any counter charges, dispensed with the necessity for argument. The law applicable to such facts is too well known to need citation. The authorities relied on are those cited in the last contest.

Comment would be an insult to your apprehension, or be simply denunciation. Language is powerless to express contempt for the perpetrators, or the sense of humiliation that it is possible for an organized body of such scoundrels to reside in Virginia and ply their frauds and perjuries year after year, unrebuked and unprosecuted. All this committee can do is to award the contestant the seat of which he has been robbed. To order a new election would be folly. This and the last contest demonstrated that conscience will not prevent his being robbed at every opportunity, and shame will not restrain a claim to his seat, in defiance of repeated convictions.

BERKLEY NEWS AND ADVERTISEMENTS

SERIOUSLY INJURED.

Mr. Fred Smith's Terrible Fall at Pinner's Point.

A Narrow Escape—Tales of Adventure by Hunters—Approaching Nuptials—Obsequies of a Child—Meeting Day Changed—Brevities.

Mr. Fred Smith, of Liberty street, while kalsomining the Southern Railway's new warehouse at Pinner's Point yesterday afternoon about 4 o'clock, the stage gave away under him and he fell about fifteen feet. It is thought that his skull is fractured and several of his ribs broken. He had not recovered consciousness when heard from last night about 10 o'clock. Dr. Payne, the company's physician, was called in and did what he could to relieve the sufferer.

A NARROW ESCAPE. Mr. John Carter, of Norfolk, as he was embarking on the ferry steamer at the Chestnut street ferry dock yesterday, made a mistake and fell between the steamer and float. Fortunately he caught on the edge of the float and steamer, and was dragged out by one of the deck hands, and was thereby saved from an involuntary bath, or, perhaps, from being crushed to death between the boat and float.

TALES OF ADVENTURE. Mr. C. L. Ives spent the past two days in the Dismal Swamp, in Nansemond county, in search of game. After going some distance into the swamp, becoming lost several times and finding their way out with the aid of the hoots of owls on border, they returned yesterday with tales of adventure, in many respects surpassing those of Henry Stanley, the explorer.

The game which fell before their guns was too heavy for them to carry, and they gave it to their friends, they say. When asked when they proposed to again invade the Swamp they answered, "Not before next season."

APPROACHING NUPTIALS. Cards were issued yesterday announcing the marriage of Mr. Charles H. Culpepper, of Portsmouth, and Miss Florence Eliza Cox, daughter of Mr. and Mrs. E. T. Cox, on Liberty street. The ceremony will be performed at the Berkley Avenue Baptist Church, November 22d, at 4:30 o'clock, in the afternoon.

OBSEQUIES.

The funeral of John, the three-year-old son of Mr. and Mrs. James McKimney, whose death was mentioned in this paper Thursday, took place at the grave in Magnolia Cemetery yesterday afternoon at 2:30 o'clock. The service was conducted by Rev. T. Claggett Skinner, pastor of Berkley Avenue Baptist Church.

TIME OF MEETING CHANGED. At a called meeting of Torment Fire Company No. 1, at the engine house last night, the time of meeting was changed from the second to the third Monday night of each month. The company is thoroughly organized and is being well equipped for fighting fire.

BRIEF MENTION. Miss Amy Etheridge, of Wallaceston, is visiting her uncle, Mr. O. M. Etheridge, on Pine street.

Mr. Fred Massie is quite ill with typhoid fever at his home, on Maple avenue.
